MEETING:

The November membership meeting was called to order at 7:30 PM on November 14, 2011 by President Ira Siegal. Joe H. led us in the "Pledge of Allegiance" and a moment of silence was observed for our troops overseas, our members and their families with medical issues and family deaths and our SEAL teams and Special Forces.

An excellent dinner of pizza and apple pie was provided prior to the meeting by our own Tony K. "Outstanding"

Three new members were introduced, welcomed and "initiated". Welcome Joe B., Bill Mcl. and Curt R.

The monthly \$100 raffle was won by Jim M. and a \$25 gift certificate to Northeast Trading was won by Bob McC.

Reports:

The Secretary's report was accepted as posted.

The Treasurer reported that we are in the best financial shape in years and that it would be helpful if we could **start sending in dues now** to avoid processing delays as they are due by 1/1/2012 will be overdue on 2/1/2012 at which time your gate card key will be deactivated.

It was noted that the New England SWAT team made a donation of \$500 to the club.

The Treasure's report was accepted as presented.

Fall Work Parties:

The main Fall work party held on Sat. October 29 was a great success. 32 people attended and we completed the three major projects scheduled, over 100 target frames were built, new baffle covers were installed in the indoor range and the gate enclosure framing and sheathing was completed.

A second work party was held on Monday November 21 attended by 5 people, who completed the roofing of the gate enclosure. A big thank you to Miles C. who managed this enclosure project and all who worked on it, it looks great.

All participating in these and any other work projects will be eligible for the \$500 drawing in Sept. 2012.

Club Clothing:

Interest was expressed in club hats, t-shirts and spring jackets with the club logo. We will be ordering a number of hats and t-shirts. If you would like jackets please contact Steve at amesrpcsecy@hotmail.com with your size and color preference.

Range Officer:

We have found it necessary to employ a part time range officer who will be reviewing the range rules with new folks and some who may choose to ignore them. The primary issue is the trash that some people leave at the ranges. We have found target frames completely destroyed and left out on the range, cans, bottles, fruits and vegetables used as targets and left and the continuing issue of brass, steel and shot gun shells not cleaned up.

A word to the wise – If you want to continue to use the range please review the range rules before you shoot and pick up after yourself.

Please respect and heed the advice of the range officer, we are just trying to run a clean, friendly and respectful club without implementing any unnecessary extra rules.

1911 Raffle

We are having a raffle for a Rem-Sport 1911 custom fitted frame, slide and barrel. Tickets are \$20 each, benefit The American Cancer Society and can only be purchased with a tax deductible (check with your accountant) check made out to "The American Cancer Society". The next membership meeting will be held on Monday, December 12 at 7:30 PM. A special baked ham dinner will start around 6:30. If you have not made reservations we are planning for a few extra meals so come and enjoy.

The December meeting is usually very busy with lots of people renewing memberships as this is the last meeting before the Jan 1 deadline, so **we will be accepting renewals starting at 6:00 PM.**

SAFETY:

This is our club. Those of us who have been to or were members of other clubs know what an incredible gem we have here. Unfortunately, we live in a part of the country where most people do not understand our sport and would just as soon not have us here. We have the privilege to practice our sport safely in this country and the only thing that can stop us is US if WE are unsafe. That is why we are constantly stressing the importance of safety...for our club and our members, as well as guests and our neighbors. We take our rules very seriously, and we take all safety violations seriously as well. **Every one of us is responsible for the safety rules and the cleanliness of our club.** If you notice anyone behaving in an unsafe manner, call a cease fire, and explain to them what they're doing that is unsafe. Be polite about it, not confrontational. Get their name, if you can. Get their license plate number, and note the date and time of the offense. Then call a Board member ASAP. We have a ZERO TOLERANCE policy for safety violations. Violations can result in temporary suspension of membership privileges or permanent loss of membership privileges. We may also notify your license issuing authority, depending on the infraction.

BE FRENDLY, COURTEOUS, SAFE -- SHOOT OFTEN AND BRING A FRIEND.

Range procedure during power outages:

1. Do not go down range without personally calling a cease fire on all the outdoor ranges.
2. If you are the only one at the club, park your car in front of the 300 yard range with the lights flashing and your alarm siren on if you have one.
3. Do not use the inside range
