Secretary: Steve Buck 305-849-2493 amesrpcsecy@hotmail.com

PLEASE NOTE:

THE NEW WEB SITE IS UP AND RUNNING

FUTURE NEWSLETTERS WILL BE POSTED THERE,
will be sent by email and will be available at the club in a book.

MEETING:

The January membership meeting was called to order at 7:30 PM on January 9, 2012 by President Ira Siegal. Dennis B. led us in the "Pledge of Allegiance" and a moment of silence was observed for our troops overseas and our members and their families with medical issues.

An excellent hardy dinner was prepared by our own Tony K. of baked beans, sausage, bread and apple pie.

Five new members were introduced and welcomed. Welcome, enjoy and be safe.

The monthly \$100 raffle was won by Owen S. who then led us in the singing of God bless America.

Work Party:

The annual Spring work party will be held on Sat. April 28th. More details next month.

Reports:

The Secretary's report was accepted as posted and Steve mentioned to contact him if you want to get the newsletters by email, we don't mail them but they are available at the club.

The Treasurer reported that we are in the good financial shape but the renewals are running behind last years pace with only about 250 renewals to date. They are due by 1/1/2012 will be overdue on 2/1/2012 at which time your gate card key will be deactivated. We have replaced all the club house seating and are planning the refurbish the carpets.

The Treasure's report was accepted as presented.

Team reports were given by by Bob P. of the juniors team who noted the Boy Scouts, Girl Scouts Sea Scouts and Explorer Scouts are all enjoying the Wed. night training. Jim H. of the Rifle team noted that the team is 6W/4L for the season and that they are shooting 3 position 22LR in both match and light rifle categories. See the Teams section for more detail.

Ira reported that we are progressing with our efforts to upgrade the heating system. We need one more quote and **we are looking for a member who has knowledge of heating systems who can help us evaluate the quotes. Please contact a board member if you can help with this.**

Range Officer:

We have found it necessary to post a part time range officer who will be reviewing the range rules with new folks and some who may choose to ignore them. The primary issue is the trash that some people leave at the ranges. We have found target frames completely destroyed and left out on the range, cans, bottles, fruits and vegetables used as targets and left and the continuing issue of brass, steel and shot gun shells not cleaned up.

A word to the wise – If you want to continue to use the range please review the range rules before you shoot and pick up after yourself.

Please respect and heed the advice of the range officer, we are just trying to run a clean, friendly and respectful club without implementing any unnecessary extra rules.

The Meeting was adjourned at 8:14 PM

The next membership meeting will be held on Monday, February 13 at 7:30 PM.

If you have any questions or comments please contact anyone on the executive board.

PROJECTS:

Target Frames:

We are experimenting with new target frames at both the 100 and 300 yard ranges with the hope that they will last longer, make less mess and reduce the total cost. The ones at the 100 yard range will be metal and will accept 24" X 24" cardboard or thin plywood. We will try to keep a supply of available but feel free to bring your own sheets.

The frames at the 300 yard range are more substantial than the old frames, larger and we hope people using this range will not shoot the frame material. The target board material is marked with a yellow no shoot zone in front of the supports. **Be aware of your backstop when shooting at the 200 yard targets make sure that you are not lined up with the ones at 300 yards.**

Your comments are welcomed.

Security Gate:

Gate Operation:

A. The gate will open by passing your new card within 12 inches of the card reader and will close when you have passed through with your vehicle. **DO NOT TAILGATE with the car in front of you..**

B. The card will also open the club house door and the inside range.

C. The gate will make the club much safer as it will record who is at the club and their arrival and departure times.

TEAMS: Please see the website for more detail

The Junior Rifle Team meets on Wednesday nights from 7:00 until 8:30 PM on the indoor range. Bob has put up some great pictures of the kids. Check them out inside the clubhouse. SAFETY:

This is our club. Those of us who have been to or were members of other clubs know what an incredible gem we have here. Unfortunately, we live in a part of the country where most people do not understand our sport and would just as soon not have us here. We have the privilege to practice our sport safely in this country and the only thing that can stop us is US if WE are unsafe. That is why we are constantly stressing the importance of safety...for our club and our members, as well as guests and our neighbors. We take our rules very seriously, and we take all safety violations seriously as well. **Every one of us is responsible for the safety rules and the cleanliness of our club.** If you notice anyone behaving in an unsafe manner, call a cease fire, and explain to them what they're doing that is unsafe. Be polite about it, not confrontational. Get their name, if you can. Get their license plate number, and note the date and time of the offense. Then call a Board member ASAP. We have a ZERO TOLERANCE policy for safety violations. Violations can result in temporary suspension of membership privileges or permanent loss of membership privileges. We may also notify your license issuing authority, depending on the infraction.

BE FRENDLY, COURTIIOUS, SAFE -- SHOOT OFTEN AND BRING A FRIEND.

Range procedure during power outages:

1. Do not go down range without personally calling a cease fire on all the outdoor ranges.
2. If you are the only one at the club, park your car in front of the 300 yard range with the lights flashing and your alarm siren on if you have one.
3. Do not use the inside range
