

**Ames Rifle and Pistol Club  
Egg Shoot Results November 12, 2017**

Under partly cloudy skies, light winds and a temperature range between 28 and 48 degrees the the only mirage we had was the heat escaping the heated enclosure. We even had a deer cleaning up the eggs at 300 yards before we were done, (he survived) 27 folks shot in 34 Events. Kevin T. won both the 200 and 300 yard Super Stock classes and 5 people had perfect scores at the 100 yard Super Stock event.

Note: \* Won by shoot-off
