Egg Shoot Results - April 29, 2018

Another great day for an egg shoot, mostly cloudy sky's with occasional light rain, very light winds and a temperature range between 55 and 60 degrees gave us conditions with no mirage and no glare for great scope clarity out to 300 yards. 24 folks shot in 28 events in 8 out of 10 available classes with 10 folks in shoot-offs. Scoring; (# Eggs/# Shots), (s/o) = Won by shoot-off.
